Date of entry 04/24/2017

HENRY LAMBERT BAIRD , date of birth (DOB) [REDACTED], home address 730 Greenleaf Street, Apartment 2, Allentown, Pennsylvania was interviewed at the FBI Allentown Resident Agency. After being advised of the identity of the interviewing Agents and the nature of the interview, BAIRD provided the following information:

HENRY BAIRD was taken into custody pursuant to an arrest warrant issued by the United States District Court for the Middle District of Pennsylvania, signed by United States Magistrate Judge William Arbuckle III on April 11, 2017. Prior to Miranda warnings being read to BAIRD, while still at 1023 West Emaus Street, Allentown, Pennsylvania, BAIRD was asked where his .357 revolver was. BAIRD advised that it was in the basement. The gun was subsequently located in the basement and seized by the FBI and placed into evidence.

BAIRD was read his Miranda warnings at 9:35 a.m. and BAIRD elected to speak with the FBI. BAIRD signed the FD-395 Advice of Rights form before questioning commenced. The interview was recorded (audio and video) and the following narrative is not a verbatim text of the interview, but only highlighted portions from notes kept during the course of the interview:

BAIRD advised that he possessed the .357 Taurus revolver for protection, and that he had been scared for his life recently.

BAIRD listed out several individuals who were part of Combat 18 as enforcers: JOHN PRESSLEY and RUSS LNU.

BAIRD had been made President of the Aryan Strikeforce (ASF). BAIRD got in touch with the founder of the group, JOSHUA STEEVER, through Facebook two or three months ago, however, had known him since he was a kid and had met him at a punk rock show. BAIRD traveled to STEEVER's residence in Phillipsburg, New Jersey and subsequently joined the ASF. BAIRD described STEEVER as "explosive" and "angry" and that he wanted to do something for his race.

BAIRD also advised that "Boots" and "Rocko" were also part of his ASF unit. "Rocko" lived in Virginia and was thought to be a drug addict based

upon the way he acted. Rocko drove a white SUV with Virginia plates. BAIRD also recalled that the SUV had Trump stickers and a confederate flag on it.

The Combat 18/Blood and Honor individuals that BAIRD knew were RUSS, MIKE LNU, and JOHN PRESSLEY. These individuals were "the real deal" and could make a phone call and you'd be dead. There was also a guy named "Chris" who bought guns that they dealt with.

BAIRD, along with STEEVER, Boots, and Rocko, provided security for a deal set up by the C18/Blood and Honor individuals. The last time BAIRD had helped with one of these deals was several weeks ago. BAIRD met RUSS LNU, STEEVER, and Rocko at the Golden Corral and were told that they were moving meth and guns, and then also recalled a meeting with RUSS at a taco place in Maryland. BAIRD wasn't told what he was running until after the second deal.

The first deal BAIRD was paid approximately \$700.00; JOSHUA STEEVER was the one that gave him the money. The guy that took the package and paid STEEVER was CHRIS LNU, who drove in a vehicle with Virginia plates. The second deal BAIRD was paid \$1200.00. They had been paid extra for moving gun parts, which included Glock "chips" that converted a Glock into a full auto submachine gun.

BAIRD understood that a percentage of the money was to be used to purchase gift cards at Target, and that once the gift card was purchased, it was to be given to RUSS LNU. JOSHUA STEEVER had told him that it was for gun purchases, to include a .380 Walther. BAIRD purchased a gift card during one of these transactions and it was provided to RUSS.

BAIRD had purchased his Taurus revolver from a guy named TODD DIMLER (phonetic spelling) for approximately \$300.00. DIMLER used to live near BAIRD on Greenleaf Street in Allentown, PA, and now lives by the Lehigh Valley Jail. BAIRD purchased it a couple months ago and had never fired it.

STEEVER had founded the particular chapter of ASF that BAIRD was a part of. RUSS LNU helped set it up. BAIRD estimated that JOHN PRESSLEY was high within Combat 18/Blood and Honor, but that RUSS LNU was even higher than PRESSLEY. BAIRD recalled an incident where RUSS told BAIRD that if he touched any of the product being transported, RUSS would "put a bullet in my head." BAIRD did not know of any pictures of RUSS in existence. RUSS had a brownish beard, stocky, tall and was approximately 49 or 50 years of age. MIKE LNU had a beard, was skinnier, and always wore a hat, and was in his late 40's. BAIRD thought he was one of the original Combat 18 members.

FD-302a (Rev. 05-08-10)

100N-PH-2093500

Continuation of FD-302 of (U) Interview of Henry Baird. , On 04/13 /2017 , Page 3 of 3

RUSS was the one that called the shots; JOHN PRESSLEY was high in the hierarchy, and MIKE was lower in the organization. CHRIS LNU drove a white truck.

BAIRD met up with the C18 members, along with STEEVER and Rocko at a mall in Maryland. BAIRD thought that the methamphetamine came from Pennsylvania. Rocko would drive up from Virginia and stay at STEEVER's place; BAIRD thought that Rocko had been a member of STEEVER's crew for a long time. Both deals have been a three man crew put together by STEEVER.

During the last deal there had not been an explanation about the gun parts, which were in a large box, along with some Glock "chips." The box was placed into Rocko's car. BAIRD felt that the individual who was receiving this stuff was "preparing for a war" but was not in a position to ask the C18 guys where it was going.

JOSHUA STEEVER had bought a shotgun from DAVID COMPTON, who lived in Brick, New Jersey. BAIRD knew COMPTON from prison and would not testify against COMPTON if asked. The shotgun was bought for \$400.00.

JACOB ROBARDS, aka "boots" lived in STEEVER's place in New Jersey.

BAIRD felt that the C18 guys knew something was going on because they went "black light" and stopped returning BAIRD's calls.

BAIRD provided a password for his iPhone of 161488.

The FD-395 will be preserved along with this interview in a 1a envelope.

## FEDERAL BUREAU OF INVESTIGATION

Date of entry 04/13/2017

On 04/07/2017 UCE-6259 took part in an undercover operation involving the controlled delivery of multiple kilograms of methamphetamine (simulated), AR-15 rifle lower receivers, and Glock pistol rear plates. Said delivery took place between UCE-6259 and UCE-6361 and was facilitated by targeted subjects JOSHUA STEEVER aka HATCHET, JUSTIN LOUGH aka ROCCO, and HENRY BAIRD. The following is a summary of the days event.

UCE-6259 met with the afore mentioned subjects at a predetermined location in Harrisburg, PA. Once at the location UCE-6259 showed STEEVER the bags containing the methamphetamine, the box of receivers, and the bag containing the Glock parts. UCE-6259 and STEEVER then place the items into LOUGH's vehicle and the group left the area in route to the predetermined delivery location in Hagerstown, MD. UCE-6259 and STEEVER traveled in the UCE's rental vehicle while LOUGH and BAIRD traveled in LOUGH's vehicle.

While en-route to the delivery location STEEVER advised UCE-6259 that he and BAIRD had been in an altercation with two black males the day prior in which BAIRD used brass knuckles. STEEVER also advised that BAIRD had attempted to shoot a yet unidentified white, male who had been "hanging around" the group. STEEVER described the incident in detail to include BAIRD taking a revolver and placing it to the head of the victim. BAIRD then cocked the hammer back manually, and began to pull the trigger. Just prior to the gun firing, the victim struck BAIRD's hand causing the round to miss the intended target.

As the group neared the delivery location, UCE-6259 stopped and had STEEVER and BAIRD switch vehicles in order for STEEVER to complete the controlled delivery with UCE-6361 and so that UCE-6259 could talk directly with BAIRD about the shooting incident. While the group drove the last few miles to the predetermined meeting location UCE-6259 spoke with BAIRD

about the shooting incident. BAIRD described the same scenario as previously mentioned and admitted to trying to shoot the individual. BAIRD added that the round went past the victims head and through the floor causing a water pipe to break.

Once at the delivery location, STEEVER and LOUGH met with UCE-6361 and transferred the items into the UCE's vehicle while UCE-6259 and BAIRD watched from a distance. See 302 by UCE-6361 for specific details of the delivery and payment for same. The group then traveled to a nearby Target store and then concluded the event. STEEVER, BAIRD and LOUGH stayed in the area to eat and the two UCE's left the area and met with the case team at another location.

UCE-6259 notes that the days event was recorded via body recorders. See recordings for specific details and verbiage of said event.

JS: 26:24: Did you find out about this?

UCE: 26:26: The uh, yeah yeah yeah, it should be just probably 2, 3 weeks now.

JS: 26:30: Cool.

UCE: 26:30: You see what we're doing.

JS: 26:31: Yeah, yeah.

UCE: 26:31: right, I mean

JS: 26:32: UI nice.

UCE: 26:32: Yeah, right? So, is that something you guys would be interested in?

JS: 26:37: Yeah.

UCE: 26:38: Cause I mean, that's what he does mostly.

JS: 26:38: I need something to keep on me.

UCE: 26:40: Ok.

JL: 26:41: Yeah.

JS: 26:42: You like that? (phone rings)

JL: 26:44: When is the big job?

UCE: 26:48: The big job? That's what I wanted to talk to you about. So..

JL: 26:52: You want to talk in here, you want to talk at Thai, what do you want

UCE: 26:54: Nah, that's alright.

JL: 26:55: It's up to you.

JS: 26:56: Call Henry's phone and tell him to pull over over there. Tell him UI.

UCE: 27:03: These phones are fucked. Are you phones fucked up around here? Mine

JL: 27:05: No.

UCE: 27:05: No?

JL: 27:06: I'm good here. Not that I've seen. Oh no UI, was he talking about last time about Rus's phone? Mine works perfectly.

UCE: 27:10: Yeah, yeah, mine was fucked up too. Alright, good.

JL: 27:13: Who do you have?

UCE: 27:15: Uh, not T-Mobile, ATT I think?

JL: 27:20: Oh, ok, I got boost.

JS: 27:22: That was them.

JL: 27:22: Oh was it?

JS: 27:24: Yeah.

JL: 27:25: Oh, that might be my call

JS: 27:25: I didn't know the number right off hand. So I only answer fucking numbers I know.

UCE: 27:32: Uh, the big job?

JL: 27:32: mmhmm

UCE: 27:32: Probably in the same time period, next 2, 3 weeks. Are you guys around next week? Cause I got to go check something out next week, make sure it looks right. At the end of the week, I was thinking about meeting with you guys and talking about it. Are you around?

JL: 27:58: Yeah, you got my number?

---

UCE: 28:19: I think it's gonna be good. But I got to go take a look at it this week.

JL: 28:22: How good?

UCE: 28:23: I mean, more than this. For sure.

JL: 28:25: For sure?

UCE: 28:27: Yeah.

JL: 28:27: Double?

UCE: 28:28: Probably something like that.

JL: 28:30: Enough to fucking blow my load? (Laughter) Oh man, I can't wait.

JS: 28:37: Dude I think...they were nice.

UCE: 28:37: Yeah, yeah.

JL: 28:43: I might just start uh, I might just fucking stacking it and stacking it and I'm just gonna say fuck the east coast. Southwest is the place for me.

UCE: 28:49: Go back to Arizona?

JL: 28:52: Yeah buddy.

JS: 28:52: Move back up this way.

JL: 28:54: Uh uh, dude I've been up in Jersey and up there is no...fuck Jersey. It is not the same beautiful fucking place it was when I was a kid. It's a fucking cess pool.

UCE: 29:03: Hey man, there's gonna be a...just go give this to him. Hey man, I just wanted to give this to you.

HB: 29:18: Thank you.

UCE: 29:19: Much respect.

---

UCE: 30:29: Hey, I didn't want to talk too much, I know that's Rus's guy, I'm sure he's cool, but I didn't want to talk too much. Umm, so the bigger job is coming up. If you can, you know, its gonna be probably...3 would be fine, but as many guys as you can get. It's not gonna take away from your share, it's going to be per person, so as many guys

JS: 30:52: Like anyone I fucking find I'm gonna have you run em.

UCE: 30:54: Yeah, yeah, that's good. Like that, I mean, is that Dave dude out of it?

JS: 30:59: Yeah, he's still here. I'll let you know if he's out

UCE: 31:02: Ok. Yeah.

JS: 31:02: I just want to talk to him.

UCE: 31:04: Ok.

JS: 31:05: I'm gonna have Henry talk to him, I told Henry to make sure he talks to him, and make sure he's fuckin

UCE: 31:10: I mean it's not, you know, like I said when we met up in Harrisburg, you know, it's whatever. If you guys want to do it, people want to work, they want to work, if they don't

JS: 31:17: Yeah, we're definitely

UCE: 31:17: There's no shame in that. I'm here to make money.

JL: 31:20: Hey, what about my old sponsor? Once he's back in the picture?

UCE: 31:29: You just got to let me know who it is so I can check them out.

JS: 31:32: UI

UCE: 31:35: That's alright, you guys can just go to Target. That's fine.

---

JS: 31:51: How much do you want us to put on?

UCE: 31:53: I mean, what have you been, you've been doing like 4 right?

JS: 31:54: Yeah.

UCE: 31:54: If that's what you can handle that's good but you know I think what, one of you all did less than that last time right?

JL: 32:05: I started dropping 2 cause it kept coming around the end or the beginning of the fucking month

UCE: 32:09: I got you, I mean, do what you gotta do.

JL: 32:11: I appreciate it. I mean hell, it's cool that you're fucking even bringing me along for this shit. You have no idea how much this fucking helps me.

UCE: 32:18: Yeah man.

JL: 32:23: I like it a lot man.

UCE: 32:25: So Josh

JL: 32:25: Strangely enough it comes at the perfect fucking time when I'm like at the worst off, I'm like fuckin stressing and then oh I get the call, oh fuck yeah!

UCE: 32:35: I told you more jobs coming up man. Like I said, something a little bigger. It's gonna be a little different if it, if it looks like I think it's gonna look. It's gonna be a little different than this but I think you guys, you guys can handle it, it'll just be whether you want to do it or not.

JL: 32:50: It's not really about even wanting or not wanting to do it, it comes down to need, need to do it, you know, you got to do what you got to do to survive anymore

UCE: 32:59: Yeah but

JL: 33:00: You can't really be picky and choosy, you just got to bite the bullet and do what you got to do.

UCE: 33:02: Yeah but I'd never force anybody to do anything they didn't, you know what I mean? It's, it's

JL: 33:06: Oh no, I understand that

---

JL: 40:52: Merry Christmas! Hey buy yourself something nice. (Laughter)

UCE: 40:55: Buy you something nice, how bout that?
